WONDERWEAVE™

Handwoven Luxury

Established in 2012, WONDERWEAVE specializes in designing and manufacturing of hand-crafted outdoor furniture. WONDERWEAVE infuses art into everyday living and offers an excellent collaboration of design and quality by using best materials to create furniture that transcends time with its beauty and elegance.

Creativity and technology, design and functionality, quality and innovation. These are our remarkable and unique set of factors, combined with a strategic vision focusing not only on products but on distribution as well.

WONDERWEAVE offers an extremely wide range of furniture and accessories for outdoor, garden, poolside, terrace, restaurant and hotel space. All these furniture are in innumerable color variations and materials with strong technical characteristics that give the product inimitable qualities such as UV resistance, high tensile strength, softness and resistance to atmospheric agents.
